

Agricultural Worker Training & Safety Seminar

April 2, 2010 | 8am - 5pm, lunch included
7:30 am registration
NV College, Upper Campus, St. Helena
1088 College Ave, Saint Helena, CA 94574
2 hours Continuing Education Credit

Farmers and farmworkers routinely must deal with potential hazards such as equipment, tractor, ATV, chemicals, and the weather. The Farm Safety seminar will educate attendees about the importance of farm safety as well as remind them of the latest safety regulations. Classes will be presented in Spanish and English and attendees will receive a certificate of participation for their records.

- ATV & Tractor Safety
Ag Driving Safety and Regulation
Pesticide Regulations Review
Pest Education and Control
Heat Illness
Health and Wellness

First Aid & CPR | American Red Cross certification

The California Code of Regulations requires that "In the absence of an infirmary, clinic, or hospital in near proximity to the workplace, which is used for the treatment of all injured employees, a person or persons shall be adequately trained to render first aid." The State's Department of Industrial Relations defines "near proximity" as within four minutes traveling time from the workplace in cases requiring CPR treatment.

First Aid certification is valid for 3 years from date of issue. CPR certification is valid for 1 year from date of issue.

The classes are limited to 16 students. We will confirm which class(es) you have been assigned to by email.
